Subject : Request for Extension on Assignment Submission

Respected Professor Sharma,

I hope this message finds you well.

I am writing to respectfully request an extension for the submission of the Data Structures Assignment, which is currently due on 25 March 2026. Due to a recent viral fever and ongoing recovery, I have been unable to complete the assignment to the best of my ability within the given timeframe.

I sincerely value the importance of this assignment and would greatly appreciate an extension until 30 March 2026, which would allow me to submit work that meets the expected standards.

I apologize for any inconvenience this request may cause and assure you that I am committed to completing the assignment as soon as possible.

Thank you for your understanding and consideration.

Yours sincerely,
